

Welcome and thank you for your interest in sponsoring Tremendicon!

We celebrate all things creative! Tremendicon was born out of a desire to provide a different kind of convention experience. Our organization is not-for-profit, focused on our community. In our unique environment, creative people and fans unite in their passions for writing, art, comics, toys, movies, TV, gaming, technology and more. Fans will get the chance to meet creative celebrities, comic creators and other fan communities, while taking part in costume contests, workshops, video gaming, tabletop gaming and other fun evening and special events. At Tremendicon, we strive to provide an environment where individuals can become part of a larger community where they can be educated, inspired, and encouraged, while collaborating with other creative people to ultimately give back to our community.

For 2023, we have partnered with Ozarks Food Harvest! 80% of our profit will be donated to OFH at the close of our July event. The other 20% of our profit will be awarded to outstanding creatives to help them further their career paths in their creative industries.

Ozarks Food Harvest is the Feeding America food bank for southwest Missouri, serving 270 nonprofit hunger relief organizations across 28 counties in the Ozarks. The food bank provides more than 20 million meals monthly, reaching nearly 50,000 individuals each and every week.

By helping Tremendicon, you are helping our community!
